

INFORMATION FOR PROSPECTIVE GREEN COUNTY EMPLOYEES

Applicants for all positions must complete a Green County Employment Application.

You may print a blank application to complete and submit by mail. You may also complete the fill-in form which can be saved and printed, or you may submit your application electronically.

Application procedures may vary by department but will be included in the job posting. If electronic applications are accepted, please submit your electronic application to the e-mail address listed in the job posting.

Pages 6 – 8 are supplemental forms and need not be submitted with the application. The certification pages will be completed as part of the interview/hiring process.
