

Green County Family Law Legal Clinic

The Green County Family Law Legal Clinic is a service provided by the Green County Bar Association. The Clinic is run through the Green County Economic Support Unit located in the Green County Human Services Complex N3152 Hwy 81 Monroe, WI. The clinic is open the first and third Fridays of each month, by appointment only from 8:30 to noon. Patrons (not clients) are scheduled in 45 minute time slots and must complete an information form (see attached) in advance so that the attorneys can check for conflicts. **No appointment can be scheduled until the form is completed and returned.**

When you return the completed form, you will be given a date and time for your appointment. The volunteer attorney scheduled for that appointment may have a conflict and not be able to assist you, in which case an alternative appointment will be set. You will be contacted a day or so before the appointment to confirm your attendance.

The Clinic assists self-represented people in family law matters such as divorce, custody and child support only. Clinic volunteers will help identify the correct form(s), fill in the form (s) correctly using information provided by the patrons, and provide the correct number of copies and general guidelines on local court procedures. Clinic volunteers can also provide referrals to other sources of help.

Clinic volunteers do NOT provide legal advice, and will NOT go to court with you.

Please bring with you any documents you have--especially all court orders, petitions, motion papers, etc. Volunteers have access to a computer terminal and printer to generate forms, but do not have access to the court files. Every form created is stamped with a red stamp indicating it was generated through the Clinic, and that **no legal advice was given**. Even though the volunteer attorney must sign any document they have helped create, the volunteer will not serve as your attorney.
