Please read this notice carefully for important information about how to file grievances with us. You have the right to ask us to review our decisions involving your pre-treatment benefit estimates or claim payments. You also have the right to contact the Wisconsin Commissioner of Insurance if you have a question or concern regarding your coverage. The Wisconsin Department may be contacted:

 Complaints Department

 Madison, WI 53707-7873

Consumer Hotline: 1-800-236-8517

A. Definitions

"Complaint" means any expression of dissatisfaction expressed to the insurer by the insured, or an authorized representative, about an insurer or the providers with whom the insurer has a direct or indirect contact.

"Covered Person" means the policyholder, claimant or their representatives, provider, agent or other entity which expresses a grievance or complaint involving the activities of the company or any persons involved in the solicitation, sale, service, execution of any transaction, or disposition of any funds of the policyholder.

"Grievance" means any dissatisfaction with the provision of services or claims practices of an insurer offering group or individual health insurance or administration of group or individual health insurance by the insurer that is expressed in writing to the insurer by, or on behalf of, an Insured.

"Expedited Grievance" means a grievance where any of the following applies:

- (a) The duration of the standard resolution process will result in serious jeopardy to the life or health of the Insured or the ability of the Insured to regain maximum function.
- (b) In the opinion of a provider with knowledge of the insured's condition, the insured is subject to severe pain that cannot be adequately managed without the care or treatment that is the subject of the grievance.
- (c) A provider with knowledge of the insured's condition determines that the grievance shall be treated as an expedited grievance.

B. Filing a Grievance

A grievance concerning any matter may be submitted by a covered person to the following area:

Name: Quality Assurance
Address: P.O. Box 82629
 Lincoln, Nebraska 68501-2629
Phone: 1-888-418-6811 (Toll-Free)
Fax: 1-402-309-2580

C. Deadlines Applicable to the Grievance Review Process

We will send a written acknowledgment of receipt of your grievance within 5 business days. If the grievance was filed by your representative, our acknowledgement will note that health care information or medical records may be disclosed only if permitted by federal HIPAA and state laws.

We will review your grievance and send you a written response within 30 calendar days. Our response will include our decision, a description of the criteria, and/or clinical reasons for that decision and any references to supporting documentation. We will also send a copy of this information to your treating provider.

This time period may be extended an additional 30 days if we are unable obtain necessary information from a person or other person not affiliated with or under contract with us. If we need such an extension, we will send you a written notice explaining the reasons for the delay and the expected resolution date.

D. Grievance Committee

The grievance committee reviewing the grievance will not be the same person or persons who made the initial decision on the matter. You (or your representative) have the right to appear in person before the grievance committee to present oral or written information and to ask questions. We will inform you in writing of the time and place of the meeting at least 7 calendar days in advance. We will provide reasonable accommodations to allow such participation in the meeting.

E. Expedited Grievances

Any situations meeting the definition of an "expedited grievance" will be resolved as expeditiously as the Covered Person's health condition requires but not more than 72 hours after receipt of the grievance. Because no pre-authorizations are required under your policy, urgent requests or expedited grievances will likely only occur related to your elective requests for pre-treatment estimates of benefits.

F. Decision

a. Denial upheld

If our decision is adverse to you, we will send you a written notice of that decision. This will be signed by a member of the grievance committee and will contain:

POLICYHOLDER refers to the Policyholder stated on the face page of the policy.

INSURED refers to a person:

DEPENDENT refers to:

- a. an Insured's spouse.
- b. each unmarried and married child less than 26 years of age, for whom the Insured, the Insured's spouse is legally responsible, including natural born children, adopted children from the date of placement for adoption, and children covered under a Qualified Medical Child Support Order as defined by applicable Federal and State laws. Grandchildren, spouses of Dependents and other Dependent family members under the age of 26 are not eligible for coverage under this plan.
- c. each unmarried child age 26 or older who is Totally Disabled and becomes Totally Disabled as defined below while insured as a dependent under b. above. Coverage of such child will not cease if proof of dependency and disability is given within 31 days of attaining the limiting age and subsequently as may be required by us but not more frequently than annually after the initial two-year period following the child's attaining the limiting age. Any costs for providing continuing proof will be at our expense.

TOTAL DISABILITY describes the Insured's Dependent as:

1. Continuously incapable of self-sustaining employment because of mental retardation or physical handicap; and
2. Chiefly dependent upon the Insured for support and maintenance.

DEPENDENT UNIT refers to all of the people who are insured as the dependents of any one Insured.

PROVIDER refers to any person who is licensed by the law of the state in which treatment is provided within the scope of the license.

PARTICIPATING AND NON-PARTICIPATING PROVIDERS. A Participating Provider is a Provider who has a contract with Us to provide services to Insureds at a discount. A Participating Provider is also referred to as a "Network Provider". The terms and conditions of the agreement with our network providers are available upon request. Members are required to pay the difference between the plan payment and the Participating Provider's contracted fees for covered services. A Non-Participating Provider is any other provider and may also be referred to as an "Out-of-Network Provider." Members are required to pay the difference between the plan payment and

the provider's actual fee for covered services. Therefore, the out-of-pocket expenses may be lower if services are provided by a Participating Provider.

LATE ENTRANT refers to any person:

- a. whose Effective Date of insurance is more than 31 days from the date the person becomes eligible for insurance; or
- b. who has elected to become insured again after canceling a premium contribution agreement.

PLAN EFFECTIVE DATE refers to the date coverage under the policy becomes effective. The Plan Effective Date for the Policyholder is shown on the policy cover. The effective date of coverage for an Insured is shown in the Policyholder's records.

All insurance will begin at 12:01 A.M. on the Effective Date. It will end after 11:59 P.M. on the Termination Date. All times are stated as Standard Time of the residence of the Insured.

PLAN CHANGE EFFECTIVE DATE refers to the date that the policy provisions originally issued to the Policyholder change as requested by the Policyholder. The Plan Change Effective date for the Policyholder will be shown on the policy cover, if the Policyholder has requested a change. The plan change effective date for an Insured is shown in the Policyholder's records or on the cover of the certificate.

CONDITIONS FOR INSURANCE COVERAGE

ELIGIBILITY

ELIGIBLE CLASS FOR MEMBERS. The members of the eligible class(es) are shown on the Schedule of Benefits. Each member of the eligible class (referred to as "Member") will qualify for such insurance on the day he or she completes the required eligibility period, if any. Members choosing to elect coverage will hereinafter be referred to as "Insured."

If employment is the basis for membership, a member of the Eligible Class for Insurance is any eligible employee electing dental working at least 20 hours per week. If membership is by reason other than employment, then a member of the Eligible Class for Insurance is as defined by the Policyholder.

If both spouses are Members, and if either of them insures their dependent children, then the spouse, whoever elects, will be considered the dependent of the other. As a dependent, the person will not be considered a Member of the Eligible Class, but will be eligible for insurance as a dependent.

ELIGIBLE CLASS FOR DEPENDENT INSURANCE. Each Member of the eligible class(es) for dependent coverage is eligible for the Dependent Insurance under the policy and will qualify for this Dependent Insurance on the first of the month falling on or first following the latest of:

1. the day he or she qualifies for coverage as a Member;
2. the day he or she first becomes a Member; or
3. the day he or she first has a dependent.

COVERAGE FOR NEWBORN AND ADOPTED CHILDREN. A newborn child will be covered from the date of birth. An adopted child or any other child under a Qualified Medical Child Support Order will be covered from the date of placement or as stated in the court order. Coverage will be provided for 60 days after the date of birth, placement or order. We may refuse to continue coverage beyond the 60-day period if such notification is not received, unless within one year after the date of birth, placement or order, the insured makes all past-due premium payments and in addition, pays interest on such payments at the rate of 5 1/2% per year.

A Member must be an Insured to also insure his or her dependents.

If employment is the basis for membership, a member of the Eligible Class for Dependent Insurance is any eligible employee electing dental working at least 20 hours per week and has eligible dependents. If membership is by reason other than employment, then a member of the Eligible Class for Insurance is as defined by the Policyholder.

Any spouse who elects to be a dependent rather than a member of the Eligible Class for Personal Insurance, as explained above, is not a member of the Eligible Class for Dependent Insurance.

When a member of the Eligible Class for Dependent Insurance dies and, if at the date of death, has dependents insured, the Policyholder has the option of offering the dependents of the deceased employee continued coverage. If elected by the Policyholder and the affected dependents, the name of such deceased member will continue to be listed as a member of the Eligible Class for Dependent Insurance.

CONTRIBUTION REQUIREMENTS. Member Insurance: An Insured is required to contribute to the payment of his or her insurance premiums.

Dependent Insurance: An Insured is required to contribute to the payment of insurance premiums for his or her dependents.

SECTION 125. This program of coverage is provided as part of the Employer's Section 125 Plan. Each Member has the option under the Section 125 Plan of participating or not participating in this plan.

If a Member does not elect to participate when initially eligible, the Member may elect to participate at a subsequent Annual Election Period. The first Annual Election Period will be in February 2019 and those who elect to participate in this program at that time will have their insurance become effective on March 1, 2019. Each Annual election Period thereafter will be in December for a January 1 effective date.

A Member may change their election option only during an Annual Election Period, except for a change in family status. Such events would be marriage, divorce, birth of a child, death of a spouse or child, or termination of employment of a spouse.

ELIGIBILITY PERIOD. For Members on the Plan Effective Date of the policy, qualification will occur on the first of the month falling on or first following the eligibility period of 30 calendar day(s) of continuous active employment.

For persons who become Members after the Plan Effective Date of the policy, qualification will occur on the first of the month falling on or first following the eligibility period of 30 calendar day(s) of continuous active employment.

OPEN ENROLLMENT. If a Member does not elect to participate when initially eligible, the Member may elect to participate at the Policyholder's next enrollment period. This enrollment period will be held each year and those who elect to participate in this policy at that time will have their insurance become effective on January 1.

If employment is the basis for membership in the Eligible Class for Members, an Insured whose eligibility terminates and is established again, may or may not have to complete a new eligibility period before he or she can again qualify for insurance.

ELIMINATION PERIOD. Certain covered expenses may be subject to an elimination period, please refer to the TABLE OF DENTAL PROCEDURES, DENTAL EXPENSE BENEFITS, and if applicable, the ORTHODONTIC EXPENSE BENEFITS pages for details.

EFFECTIVE DATE. Each Member has the option of being insured and insuring his or her Dependents. To elect coverage, he or she must agree in writing to contribute to the payment of the insurance premiums. The Effective Date for each Member and his or her Dependents, will be the first of the month falling on or first following:

1. the date on which the Member qualifies for insurance, if the Member agrees to contribute on or before that date.
2. the date on which the Member agrees to contribute, if that date is within 31 days after the date he or she qualifies for insurance.
3. the date we accept the Member and/or Dependent for insurance when the Member and/or Dependent is a Late Entrant. The Member and/or Dependent will be subject to any limitation concerning Late Entrants.

EXCEPTIONS. If employment is the basis for membership, a Member must be in active service on the date the insurance, or any increase in insurance, is to take effect. If not, the insurance will not take effect until the day he or she returns to active service. Active service refers to the performance in the customary manner by an employee of all the regular duties of his or her employment with his or her employer on a full time basis at one of the employer's business establishments or at some location to which the employer's business requires the employee to travel.

A Member will be in active service on any regular non-working day if he or she is not totally disabled on that day and if he or she was in active service on the regular working day before that day.

If membership is by reason other than employment, a Member must not be totally disabled on the date the insurance, or any increase in insurance, is to take effect. The insurance will not take effect until the day after he or she ceases to be totally disabled.

TERMINATION DATES

INSUREDS. The insurance for any Insured, will automatically terminate on the end of the month falling on or next following the **earliest of:**

1. the date the Insured ceases to be a Member;
2. the last day of the period for which the Insured has contributed, if required, to the payment of insurance premiums; or
3. the date the policy is terminated.

DEPENDENTS. The insurance for all of an Insured's dependents will automatically terminate on the end of the month falling on or next following the **earliest of:**

1. the date on which the Insured's coverage terminates;
2. the date on which the Insured ceases to be a Member;
3. the last day of the period for which the Insured has contributed, if required, to the payment of insurance premiums; or
4. the date all Dependent Insurance under the policy is terminated.

The insurance for any Dependent will automatically terminate on the end of the month falling on or next following the day before the date on which the dependent no longer meets the definition of a dependent. See "Definitions."

CONTINUATION OF COVERAGE. If coverage ceases according to TERMINATION DATE, some or all of the insurance coverages may be continued. Contact your plan administrator for details.

DENTAL EXPENSE BENEFITS

We will determine dental expense benefits according to the terms of the group policy for dental expenses incurred by an Insured. An Insured person has the freedom of choice to receive treatment from any Provider.

DETERMINING BENEFITS. The benefits payable will be determined by totaling all of the Covered Expenses submitted into each benefit type as shown in the Table of Dental Procedures. This amount is reduced by the Deductible, if any. The result is then multiplied by the Coinsurance Percentage(s) shown in the Schedule of Benefits. Benefits are subject to the Maximum Amount, if any, shown in the Schedule of Benefits.

BENEFIT PERIOD. Benefit Period refers to the period shown in the Table of Dental Procedures.

DEDUCTIBLE. The Deductible is shown on the Schedule of Benefits and is a specified amount of Covered Expenses that must be incurred and paid by each Insured person prior to any benefits being paid.

DENTAL EMERGENCY. Services for a dental emergency shall be defined as those services which are needed immediately because of an injury or unforeseen medical condition. An example of emergency service are those services required for the temporary relief of pain, infection or swelling.

BENEFITS FOR DENTAL EMERGENCIES. Covered Expenses will be paid at the Participating Provider rate even though the service was performed by a Non-Participating Provider, if the services are rendered in connection with a Dental Emergency and either the Covered Person could not reasonably travel to a Participating Provider or the circumstances reasonably preclude the Covered Person from receiving the necessary care and treatment from a Participating Provider. However, if the Non-Participating Provider rate is greater, the Non-Participating Provider rate will apply. In no event will the Covered Person be liable for any more out-of-pocket expenses whether they see a Non-Participating Provider or a Participating Provider for services rendered in connection with a Dental Emergency.

MAXIMUM AMOUNT. The Maximum Amount shown in the Schedule of Benefits is the maximum amount that may be paid for the Covered Expenses incurred by an Insured.

COVERED EXPENSES. Covered Expenses include:

1. only those expenses for dental procedures performed by a Provider; and
2. only those expenses for dental procedures listed and outlined on the Table of Dental Procedures.

Covered Expenses are subject to "Limitations." See Limitations and Table of Dental Procedures.

Benefits payable for Covered Expenses also will be based on the lesser of:

1. the actual charge of the Provider.
2. the usual and customary ("U&C") as covered under your plan, if services are provided by a Non Participating Provider.
3. the Maximum Allowable Charge ("MAC") as covered under your plan.

Usual and Customary ("U&C") describes those dental charges that we have determined to be the usual and customary charge for a given dental procedure within a particular ZIP code area. The U&C is based upon a combination of dental charge information taken from our own database as well as from data received from nationally recognized industry databases. From the array of charges ranked by amount, your Policyholder (in most cases your employer) has selected a percentile that will be used to determine the maximum U&C for your plan. The U&C is reviewed and updated periodically. The U&C can differ from the actual fee charged by the provider and is not indicative of the appropriateness of the provider's fee. Instead, the U&C is simply a plan provision used to determine the extent of benefit coverage purchased by your Policyholder.

MAC - The Maximum Allowable Charge is derived from the array of provider charges within a particular ZIP code area. These allowances are the charges accepted by dentists who are Participating Providers. The MAC is reviewed and updated periodically to reflect increasing provider fees within the ZIP code area.

ALTERNATIVE PROCEDURES. If two or more procedures are considered adequate and appropriate treatment to correct a certain condition under generally accepted standards of dental care, the amount of the Covered Expense will be equal to the charge for the least expensive procedure. This provision is NOT intended to dictate a course of treatment. Instead, this provision is designed to determine the amount of the plan allowance for a submitted treatment when an adequate and appropriate alternative procedure is available. Accordingly, you may choose to apply the alternate benefit amount determined under this provision toward payment of the submitted treatment.

We may request pre-operative dental radiographic images, periodontal charting and/or additional diagnostic data to determine the plan allowance for the procedures submitted. We strongly encourage pre-treatment estimates so you understand your benefits before any treatment begins. Ask your provider to submit a claim form for this purpose.

EXPENSES INCURRED. An expense is incurred at the time the impression is made for an appliance or change to an appliance. An expense is incurred at the time the tooth or teeth are prepared for a prosthetic crown, appliance, or fixed partial denture. For root canal therapy, an expense is incurred at the time the pulp chamber is opened. All other expenses are incurred at the time the service is rendered or a supply furnished.

LIMITATIONS. Covered Expenses will not include and benefits will not be payable for expenses incurred:

1. in the first 12 months that a person is insured if the person is a Late Entrant; except for evaluations, prophylaxis (cleanings), and fluoride application.
2. for initial placement of any prosthetic crown, appliance, or fixed partial denture unless such placement is needed because of the extraction of one or more teeth while the insured person is covered under this contract. But the extraction of a third molar (wisdom tooth) will not qualify under the above. Any such prosthetic crown, appliance, or fixed partial denture must include the replacement of the extracted tooth or teeth.
3. for appliances, restorations, or procedures to:
 - a. alter vertical dimension;
 - b. restore or maintain occlusion; or
 - c. splint or replace tooth structure lost as a result of abrasion or attrition.
4. for any procedure begun after the insured person's insurance under this contract terminates; or for any prosthetic dental appliances installed or delivered more than 90 days after the Insured's insurance under this contract terminates.
5. to replace lost or stolen appliances.
6. for any treatment which is for cosmetic purposes.
7. for any procedure not shown in the Table of Dental Procedures. (There may be additional frequencies and limitations that apply, please see the Table of Dental Procedures for details.)

8. for orthodontic treatment under this benefit provision. (If orthodontic expense benefits have been included in this policy, please refer to the Schedule of Benefits and Orthodontic Expense Benefits provision found on 9260).
9. for which the Insured person is entitled to benefits under any workmen's compensation or similar law, or charges for services or supplies received as a result of any dental condition caused or contributed to by an injury or sickness arising out of or in the course of any employment for wage or profit.
10. for charges which the Insured person is not liable or which would not have been made had no insurance been in force.
11. for services that are not required for necessary care and treatment or are not within the generally accepted parameters of care.
12. because of war or any act of war, declared or not.

TABLE OF DENTAL PROCEDURES

PLEASE READ THE FOLLOWING INFORMATION CAREFULLY FOR YOUR PROCEDURE FREQUENCIES AND PROVISIONS.

The attached is a list of dental procedures for which benefits are payable under this section; and is based upon the Current Dental Terminology © American Dental Association. **No benefits are payable for a procedure that is not listed.**

- Your benefits are based on a Calendar Year. A Calendar Year runs from January 1 through December 31.
- Benefit Period means the period from January 1 of any year through December 31 of the same year. But during the first year a person is insured, a benefit period means the period from his or her effective date through December 31 of that year.
- Covered Procedures are subject to all plan provisions, procedure and frequency limitations, and/or consultant review. Examples of procedures which may be subject to Alternate Benefits are crowns, inlays, onlays, fixed partial dentures, composite restorations, and overdentures. Examples of procedures which may be subject to plan payments based on consultant review are services related to oral maxillofacial surgery, fixed partial dentures, periodontics, and endodontics.
- Reference to "traumatic injury" under this plan is defined as any injury caused by an object or a force other than bruxism (grinding of teeth).
- Benefits for replacement prosthetic crown, appliance, or fixed partial denture will be based on the prior placement date. Frequencies which reference Benefit Period will be measured forward within the limits defined as the Benefit Period. All other frequencies will be measured forward from the last covered date of service.
- We may request radiographs, periodontal charting, surgical notes, narratives, photos and/or a patient's records on any procedure for our dental consultants to review. Commonly reviewed procedures include: Periodontic procedures, Oral Maxillofacial Surgical procedures, Implants, Crowns, Inlays, Onlays, Core Build-Ups, Fixed Partial Dentures, Post and Cores, Veneers, Endodontic Retreatment, and Apexification/Recalcification procedures.
- We recommend that a pre-treatment estimate be submitted for all anticipated work that is considered to be expensive by our insured.
- A pre-treatment estimate is not a pre-authorization or guarantee of payment or eligibility; rather it is an indication of the estimated benefits available if the described procedures are performed.

COORDINATION OF BENEFITS

This section applies if an Insured person has dental coverage under more than one Plan definition below. All benefits provided under this policy are subject to this section.

EFFECT ON BENEFITS. The Order of Benefit Determination rules below determine which Plan will pay as the primary Plan. If all or any part of an Allowable Expense under this Plan is an Allowable Expense under any other Plan, then benefits will be reduced so that, when they are added to benefits payable under any other Plan for the same service or supply, the total does not exceed 100% of the total Allowable Expense.

If another Plan is primary and this Plan is considered secondary, the amount by which benefits have been reduced during the Claim Determination Period will be used by us to pay the Allowable Expenses not otherwise paid which were incurred by you in the same Claim Determination Period. We will determine our obligation to pay for Allowable Expenses as each claim is submitted, based on all claims submitted in the current Claim Determination Period.

DEFINITIONS. The following apply only to this provision of the policy.

1. "Plan" refers to the group policy and any of the following plans, whether insured or uninsured, providing benefits for dental services or supplies:
 - a. Any group or blanket insurance policy.
 - b. Any group Blue Cross, group Blue Shield, or group prepayment arrangement.
 - c. Any labor/management, trustee plan, labor organization, employer organization, or employee organization plan, whether on an insured or uninsured basis.
 - d. Any coverage under a governmental plan that allows coordination of benefits, or any coverage required or provided by law. This does not include a state plan under Medicaid (Title XVIII and XIX of the Social Security Act as enacted or amended). It also does not include any plan whose benefits by law are excess to those of any private insurance program or other non-governmental program.
2. "Plan" does **not** include the following:
 - a. Individual or family benefits provided through insurance contracts, subscriber contracts, coverage through individual HMOs or other prepayment arrangements.
 - b. Coverages for school type accidents only, including athletic injuries.
3. "Allowable Expense" refers to any necessary, reasonable and customary item of expense at least a portion of which is covered under at least one of the Plans covering the Insured person for whom that claim is made. When a Plan provides services rather than cash payments, the reasonable cash value of each service will be both an Allowable Expense and a benefit paid. Benefits payable under another Plan include benefits that would have been payable had a claim been made for them.
4. "Claim Determination Period" refers to a Benefit Period, but does not include any time during which a person has no coverage under this Plan.
5. "Custodial Parent" refers to a parent awarded custody of a minor child by a court decree. In the absence of a court decree, it is the parent with whom the child resides more than half of the calendar year without regard to any temporary visitation.

ORDER OF BENEFIT DETERMINATION. When two or more Plans pay benefits, the rules for determining the order of payment are as follows:

1. A Plan that does not have a coordination of benefits provision is always considered primary and will pay benefits first.
2. If a Plan also has a coordination of benefits provision, the first of the following rules that describe which Plan pays its benefits before another Plan is the rule to use:

- a. The benefits of a Plan that covers a person as an employee, member or subscriber are determined before those of a Plan that covers the person as a dependent.
- b. If a Dependent child is covered by more than one Plan, then the primary Plan is the Plan of the parent whose birthday is earlier in the year if:
 - i. the parents are married;
 - ii. the parents are not separated (whether or not they ever have been married); or
 - iii. a court decree awards joint custody without specifying that one party has the responsibility to provide Dental coverage.

If both parents have the same birthday, the Plan that covered either of the parents longer is primary.

- c. If the Dependent child is covered by divorced or separated parents under two or more Plans, benefits for that Dependent child will be determined in the following order:
 - i. the Plan of the Custodial Parent;
 - ii. the Plan of the spouse of the Custodial Parent;
 - iii. the Plan of the non-Custodial Parent; and then
 - iv. the Plan of the spouse of the non-Custodial Parent.

However, if the specific terms of a court decree establish a parent's responsibility for the child's Dental expenses and the Plan of that parent has actual knowledge of those terms, that Plan is primary. This rule applies to Claim Determination Periods or Benefit Periods commencing after the Plan is given notice of the court decree.

- d. The benefits of a Plan that cover a person as an employee who is neither laid-off nor retired (or as that employee's dependent) are determined before those of a Plan that covers that person as a laid-off or retired employee (or as that employee's dependent). If the other Plan does not have this rule, and if, as a result, the Plans do not agree on the order of benefits, this rule will be ignored.
- e. If a person whose coverage is provided under a right of continuation provided by a federal or state law also is covered under another Plan, the Plan covering the person as an employee, member, subscriber or retiree (or as that person's dependent) is primary, and the continuation coverage is secondary. If the other Plan does not have this rule, and if, as a result, the Plans do not agree on the order of benefits, this rule will be ignored.
- f. The benefits of a Plan that has covered a person for a longer period will be determined first.

If the preceding rules do not determine the primary Plan, the allowable expenses shall be shared equally between the Plans meeting the definition of Plan under this provision. In addition, this Plan will not pay more than what it would have paid had it been primary.

RIGHT TO RECEIVE AND RELEASE NECESSARY INFORMATION. We may without your consent and notice to you:

1. Release any information with respect to your coverage and benefits under the policy; and
2. Obtain from any other insurance company, organization or person any information with respect to your coverage and benefits under another Plan.

You must provide us with any information necessary to coordinate benefits.

FACILITY OF PAYMENT. When other Plans make payments that should have been made under this Plan according to the above terms, we will, at our discretion, pay to any organizations making these payments any amounts that we decide will satisfy the intent of the above terms. Amounts paid in this way will be benefits paid under this Plan. We will not be liable to the extent of these payments.

RIGHT OF RECOVERY. When we make payments for Allowable Expenses in excess of the amount that will satisfy the intent of the above terms, we will recover these payments, to the extent of the excess, from any persons or organizations to or for whom these payments were made. The amount of the payments made includes the reasonable cash value of any benefits provided in the form of services.

GENERAL PROVISIONS

NOTICE OF CLAIM. Written notice of a claim must be given to us within 90 days after the incurred date of the services provided for which benefits are payable.

Notice must be given to us at our Home Office, or to one of our agents. Notice should include the Policyholder's name, Insured's name, and policy number. If it was not reasonably possible to give written notice within the 90 day period stated above, we will not reduce or deny a claim for this reason if notice is filed as soon as is reasonably possible.

CLAIM FORMS. When we receive the notice of a claim, we will send the claimant forms for filing proof of loss. If these forms are not furnished within 15 days after the giving of such notice, the claimant will meet our proof of loss requirements by giving us a written statement of the nature and extent of loss within the time limit for filing proofs of loss.

PROOF OF LOSS. Written proof of loss must be given to us within 90 days after the date of the loss for which claim is made. If it was not reasonably possible to give written proof within the <cPrfLSingular> period, we will not reduce or deny a claim for this reason if the proof is filed:

1. as soon as is reasonably possible; and
2. within one year after the 90 day period.

TIME OF PAYMENT. We will pay all benefits immediately when we receive due proof. Any balance remaining unpaid at the end of any period for which we are liable will be paid at that time.

PAYMENT OF BENEFITS. Participating Providers have agreed to accept assignment of benefits for services and supplies performed or furnished by them. When a Non-Participating Provider performs services, all benefits will be paid to the Insured unless otherwise indicated by the Insured's authorization to pay the Non-Participating Provider directly.

FACILITY OF PAYMENT. If an Insured or beneficiary is not capable of giving us a valid receipt for any payment or if benefits are payable to the estate of the Insured, then we may, at our option, pay the benefit up to an amount not to exceed \$5,000, to any relative by blood or connection by marriage of the Insured who is considered by us to be equitably entitled to the benefit.

Any equitable payment made in good faith will release us from liability to the extent of payment.

PROVIDER-PATIENT RELATIONSHIP. The Insured may choose any Provider who is licensed by the law of the state in which treatment is provided within the scope of their license. We will in no way disturb the provider-patient relationship.

LEGAL PROCEEDINGS. No legal action can be brought against us until 60 days after the Insured sends us the required proof of loss. No legal action against us can start more than five years after proof of loss is required.

INCONTESTABILITY. Any statement made by the Policyholder to obtain the Policy is a representation and not a warranty. No misrepresentation by the Policyholder will be used to deny a claim or to deny the validity of the Policy unless:

1. The Policy would not have been issued if we had known the truth; and
2. We have given the Policyholder a copy of a written instrument signed by the Policyholder that contains the misrepresentation.

The validity of the Policy will not be contested after it has been in force for one year, except for nonpayment of premiums or fraudulent misrepresentations.

WORKER'S COMPENSATION. The coverage provided under the Policy is not a substitute for coverage under a workmen's compensation or state disability income benefit law and does not relieve the Policyholder of any obligation to provide such coverage.
