

HEALTH NURSE, BSN COVID-19 Response Limited Term Position

Green County Public Health in Monroe, Wisconsin, is accepting applications for limited term Health Nurses. The Nurse's primary duties include supporting our COVID-19 testing, disease investigation and contact tracing efforts to limit the spread of COVID-19. Nurses will notify individuals who have been identified as COVID-19 contacts, communicate quarantine requirements, check in daily during the period to monitor symptoms, provide education. Nurses will be trained to conduct a disease investigation, contact tracing and COVID-19 testing.

An ideal candidate would have a flexible schedule as this person could work anywhere from 0-4 hours/day including daytime, evening and weekends.

Due to the physical distancing and ongoing needs people hired into this position will need to work from home.

Minimum Qualifications:

Education and Licensing:

- Baccalaureate Degree in Nursing from a National League of Nursing accredited college or university
- Current WI Registered Nurse License

Experience:

- One-year work experience in hospital, home health or public health/community health nursing.
- One-year work experience with electronic medical records (EMR's) preferred

Other:

- Access to high speed internet at home
- Must have a valid driver's license and use of an insured reliable vehicle and a safe driving record.
- Able to pass pre-employment health screening
- Able to pass a Caregiver Background Check

Compensation:

Rate is \$35.00/hour.

Application: An application can be found on the Green County website at <http://www.co.green.wi.gov> or picked up in person at the Green County Human Resources office. Note: Please indicate on your application days of the week (Monday- Sunday) you would be available to work.

Please submit a complete application, resume, copy of Registered Nurse license and list of references to:

Shianne Broughton, Human Resources Assistant
Green County Human Resources, N3152 State Hwy. 81, Monroe, WI 53566
