

CHAPTER 16
ELECTRONIC DATA PROCESSING

1-16-1: RESPONSIBILITY

All County departments are encouraged to explore the possibility of electronic data processing applications in their areas of responsibility. The Finance and Accounting Committee is hereby delegated the responsibility to plan and coordinate the implementation of electronic data processing applications for Green County. In so doing, the Finance and Accounting Committee may designate an Electronic Data Processing (EDP) subcommittee, with membership to come from County Board Supervisors, County officials and employees, and citizens with experience and knowledge in the area of electronic data processing.
